

# Zip up and zip down

Vine shelters

## TubZipp® - Vine Protector Tube

finally – an easy to re-use protector tube: made possible through a patented design

### how to close:

press both zips together and close, with little pressure, moving from the bottom to the top of the column

### how to re-open:

lift the zip on one top corner, then open the other pull out the other side top to bottom

### Your advantages:

- easy to close and re-open – often reusable
- excellent **photosynthesis** (permeable to sun light)
- round design for **high stability**
- protects perfectly from **game** and mechanical or chemical influence
- **room saving** transportation and storage
- vine protection: you can now leave TubZipp longer at the vine plant since it can be **removed easily**
- **colour:** transparent brown (transparent green: on request)
- **UV stabilised**
- durable: 3 to 5 years
- environmentally neutral material: PP
- double layer material for temperature balance

**New!**
