

**WitaGrow®
Vine Shelter**

**The re-openable vine shelter
with a growing space diameter of approx. 12 cm**

- with pointed side tips (patented by Witasek) that ensure especially stable hold in the ground
- shelter can be closed and re-opened and is, therefore, easy to re-use
- **very large growing space**
(square, side length approx. 8 cm, **growing space diameter approx. 12 cm**)
- **greatly translucent** for strong growth and healthy plants
- Protects from game, **and from damage caused by mechanical and chemical (herbicides) weed control measures**
- no growing-out of side shoots, **thus less tying or cutting work necessary**
- **Keeps weeds and tendrils out of growing space**
- double layer material for temperature regulation
- droplet irrigation through dew in the hollow chambers of the material, **growth promoting**
- colour: green
- durable (UV stable): 3 to 5 years, material (PP) decomposes environmentally neutral afterwards
